

# Summer CAMPs

Skinner's great summer camps are do to the creative energy of Gina!

Dear Current Parents,

Please know if you are already enrolled at Skinner and you plan to stay through the summer, you can pay a monthly rate or if you just want to come for one or two special camps, you would pay the cost of the camp as advertised.

For those families coming all summer, you will need to pay a \$200.00 non-refundable but deductible Reservation Fee.

Summer tuition will be paid in two installments—June 1 and July 1. Your Reservation Fee will be deducted from your July payment.

Half-Day AM or Half-Day PM—All Summer: \$1,598.00—divided into two payments = \$799.00— Hours will be from 8:30 to 11:45, at the latest, for AM Half-Day and 12:15 to 3:30, at the latest, for PM Half-Day

Full Day—All Summer: \$1,927.00—divided into two payments = \$964.00—Hours will be from 8:00 to 3:15 at the latest.

AM care begins at 7:00 and goes until 8:00, and regardless of whether you are Primary or Elementary, the cost, for the summer, is \$282.00 divided by 2 = \$141.00

PM Care begins at 3:15 and goes until 6:00, and regardless of whether you are Primary or Elementary, the cost is \$588.00 divided by 2 = \$294.00.

AM & PM will be \$870.00, divided by 2 = \$435.00

Should you be interested in this, please know:

- You are signing up for the summer.
- Like the academic year, there are no allowances for vacations.
- Occasional Care would still be in place for those who need it.

For those of you choosing certain camps, please check those you will be attending. A \$25.00 Non-Refundable Reservation Fee, per camp, is required; this will be subtracted from the cost of the camp.
